CHÚ VỊT DONALD

Chuyến phiêu lưu kỳ thú

Người dịch : NGUYỄN TƯỜNG MINH

1. It's the hottest day of the year in Duckburg —
2. (Pant!) Commercials! Commercials in the streets, on TV, on the radio, in the newspapers! We're assailed with commercials! Listen to this... "If the weather feels too hot, get an air

conditioner from Polarsky's on the spot!"
3. And what about this... "If Mom complains about the heat, Venticello, the fan, gives her a breeze so sweet"! Yuch!
4. And this one's about a como Baloa to be won!"
5. "Li-Mon, the exciting drink! Li-Mon the

exotic refreshment! With Li-Mon you'll have a refreshing and exciting holiday!"
6. How ridiculous—bottled, exotic adventures!
7. Well, in this heat I'll volunteer for a cool drink!

8 Good day, sir! How can I help you ?

9 I need a soda pop, please !

10 Seems like everybody does today, sir! Actually I've only got this one left, it's a lemonade called Li-Mon!

11 The famous adventure-drink, right?!

12 Oh, you already know it! You've already tried this wonderfully sweet, tasty...

13 No! But as it is the only one you've got, let me have it!

14 Maybe I should drink it with a straw, so as not to loose a single bit of the exotic adventure! Ha!

15 Whatever you say, sir! Here's the opener!

16 But, sir, you shouldn't throw the cap away without controlling it...

17 Why not? Are there more exotic adventures hidden in the cap? Ha ha!

18 But haven't you heard about the

competition? "Buy a bottle of Li-Mon, there's a trip to Baloa to be won!"

19 Yeah right, the commercial masterpiece that continues like... "Tra-la-la tra-la-la, off to the island we are!"

20 While downing this drink, I didn't get any exotic nor adventurous inklings, the only thing I got was a microscopic taste of lemonade!

21 Hm... you should have a look at the cap...

23. Nhưng này, quý khách ơi!

25. VÙUUU!

32. Vài ngày sau, tại bến tàu Duckburg...

22. That "exotic" water hasn't seen a slice of lemon for a very long time! You look at the cap, while I continue my walk through the dusty streets of Duckburg, dreaming of the adventure...

23. B-but, sir!

24. You've won a week for three persons on Baloa!

25. ZOOOM!

26. Later —

27. You know what, kids? Since I won that trip I've completely changed opinion about

Li-Mon! I just love it because of its delicious fragrance of lemon! The holiday has nothing to do with it, what so ever!

28. Oh, brother...!

29. It's really refreshing! Absolutely delicious! Let's all four become world ambassadors for Li-Mon!

30. But, uncle... the trip to Baloa is only for three persons!

31. Oh... you're right! We'll have to find a quick solution to that little problem! I've gotta go to the travel agency today to fill

out the necessary papers!

32. A few days later, in Duckburg harbour —

33. Tickets, please!

34. Here's mine, and here are my two nephews' tickets!

35. EMBARKING FOR BALOA

36. Come on, boys! Thanks to Li-Mon, we're going to Baloa!

37. ?!

38. This is our cabin! Finally you can take a break, Huey!

39. About time! I can't take another minute of this!

40. Nhưng chỉ có cách này thì bốn chú cháu ta mới cùng thưởng thức được chuyến du ngoạn mà thôi!

41. Tối hôm đó, trong phòng ăn trên tàu...

42. Xin chào! Cho một bàn ba người!

43. Dạ được! Bàn này còn trống ạ!

44. Quý vị muốn dùng món gì ạ?

45. Trước hết cho một đĩa rau trộn, rồi mì sợi, thịt nướng với khoai tây, sau đó tráng miệng bằng bánh nướng nhân táo và kem đá cho... bốn người!

46. Bốn người ư? Nhưng... nhưng...

47. Chẳng là thằng cháu này đang hồi lớn như thổi! So với tuổi thì nó cao quá khổ và lúc nào cũng than đói cả! Một mình nó ăn bằng cả hai người đấy!

48. Rất lâu sau, trên boong tàu...

49. Thật là tuyệt, các cháu ạ! Sau chuyến tàu lý thú này, chú cháu ta sẽ tới Baloa! Một hòn đảo tuyệt vời mà thực cứ như mơ và mơ lại biến thành thực!

50. Và điều này thì chú cháu ta phải cảm ơn Li-Mon! Một khách hàng trung thành như chú được thưởng là phải rồi!

51. Khi đặt chân lên Baloa, chú sẽ đem hết sức mình quảng cáo để Li-Mon trở thành thức uống bán chạy và nổi danh nhất trên đảo!

52. Thật đáng buồn cho những ai muốn cạnh tranh với Li-Mon vì chú đã quyết tâm cố động đến cùng cho Li-Mon, như thế mới phải đạo chứ!

40. But this was the only way we could all enjoy the trip!

41. That evening, in the ship's dining-room —

42. Good evening! A table for three!

43. Very well, sir! This table is free!

44. What would the gentlemen like to have?

45. We'll have a plate of mixed vegetables to begin with, then spaghetti bolognese, roast with baked potatoes, and apple pie

and icecream for dessert... for four persons!

46. Four persons?! But... but...

47. This nephew is in a growing stage! He's very tall for his age and always hungry! He eats for two!

48. Much later, on deck —

49. Isn't it fantastic, boys! After this great cruise we'll arrive in Baloa! The island where reality is like a dream, and where dreams become real!

50. And this is all thanks to Li-Mon! I was rewarded for being such a loyal customer!

51. When we get to Baloa, I'll do my best to make Li-Mon the most wellknown and sold drink to the island!

52. Too bad for the competitors, but I will, nevertheless, work with conviction and determination! I think I owe that to Li-Mon!

53. I'm sleepy! Let's go to bed!
 54. And I'm tired of carrying Dewey on my back!
 55. You go, boys! I want to stay on deck for a while, and enjoy the seabreeze!
 56. I feel so grateful towards Li-Mon, I've even invented a new slogan! "Li-Mon, Li-Mon, sweet on the tongue... Li-Mon, Li-

Mon, the drink for the young!"
 57. Li-Mon, Li... Hey, wh... !
 58. Who're you ? Uack! What do you want?!

(Pant!)... when, out of the blue someone grabbed me!
 63. ?!
 64. ?!
 65. Tyson!

66. Tyson, come here! Stop, you silly dog!

59. THUMP! BONK!
 60. Help! Heeeeeeeelp!
 61. What's the matter? You need help?
 62. (Pant!)... I was strolling peacefully...

67. Well, perhaps you bumped into that dog! It was dark...

68. Yeah, that's what must have happened! I recommend you keep an eye on this woman's dog! That boxer is a real menace!

69. Good night, sir! If you have any other problems, please contact the purser!

70. Sure... that would be to rent a pair of boxing gloves, so I can defend myself

properly the next time!

71. The trip continues without further incidents, and a few days later Donald and the nephews arrive in Baloa —

72. Isn't this great, kids! White sand, turquoise water and a perfectly blue sky! What more could we wish for?

73. I'll go back to the hotel, take a shower and get ready for dinner!

74. We'll meet you later! First we want to

go for another swim!

75. OK, but don't be late! And please remember that you are only two, not three!

76. Don't worry, Uncle Donald, we'll remember!

77. Donald returns to the hotel —

78. Li-Mon, Li-Mon, sweet on the tongue...

79. Li-Mon, Li-Mon makes me feel so you... Uack!

80. Squack!... Help!... Uack!... Let me go!
 81. THUMP! BONK!
 82. Help! Police! Help me!
 83. Quick! Call the police... the army...
 (Gasp!)... I was attacked in my room!
 84. ?!
 85. Are you positive you were attacked,
 sir?
 86. What? Isn't that obvious?! I look like

I just came out a blender!
 87. In Donald's corridor —
 88. Who's that?
 89. Mr. Fung-Ku, your neighbour! He's a
 famous champion of martial arts!
 90. I think you picked the wrong room!
 Perhaps you went into his room by
 mistake!
 91. Mr. Fung-Ku always trains in the dark,

and you unfortunately just happened to
 run into his deadly blows!
 92. W-well! Perhaps that's what hap-
 pened! I'm not sure!
 93. One thing is sure, though! Mr. Fung-
 Ku might be small, but he sure hits big! I
 feel like a wreck!

94. The next day —
 95. Don't ponder the matter any more, Unca Donald! Perhaps you really did go into the wrong room!
 96. Yeah perhaps! But I still think some weird things are happening to me...
 97. First a boxing dog mistakes me for his punching ball...

98. ...then a champion of martial arts ruffles my poor feathers in a rather disconcerting way!
 99. Forget all about that now and let's go for a swim!
 100. Nah... I don't feel like it right now! I think I'll take a stroll into the greenery!
 101. Suit yourself! See you later!

102. I have to stop worrying! I'll get in a better mood after a walk in this beautiful vegetation!
 103. Li-Mon, Li-Mon! If your throat feels like sand, have Li-Mon at your hand!
 104. Since I first tasted youuuuUUU...!
 105. Woooaaaaa!
 106. THUMP! BONK!

107. Help! It happened again!
108. Boys, they were waiting for me and... (Pant!) ...they wanted to "pluck" me!
109. Who?
110. Where?
111. In the jungle! Somebody jumped me and... (Gasp!)...beat me up!
112. Listen! Do you hear that noise?!... They are coming to get me!

113. ?!
114. Uuhlaa ulaah ya ya! Tulaaa tulooaa Baloa!
115. But... they are local dancers!
116. D-dancers...?
117. They must be training for some folkloristic dance show in honour of the tourists!
118. Unca Donald, maybe this exotic

vacation is overstimulating your fantasy, instead of stressing you off!
119. You've actually managed to materialize your worst fantasies!
120. I just don't understand what's happening to me!
121. Let's go back to the hotel and relax a bit before dinner!

122. In the hotel's ballroom, after a nice dinner —
123. And now, ladies and gentlemen, let the rhythms of Baloa fill you... and dance!
124. Look, there he is! Try to get close to him!
125. Baloa, Baloooooooooa... yeah, yeah!
126. Wow, what a rhythm! I can't resist that... I gotta dance!
127. Baloa, Li-Mooooooooon... Olé, Olé!
128. Great music! It goes right into your

blood!
129. THUMP!
130. Sorry, miss! I was carried away by the music...
231. Pedro! What a surprise ! How are you?
132. Pedro ?! My name is Donald Duck...
133. Oh, sorry! I was wrong! You really look like him!
134. I used to be engaged to Pedro! But unfortunately we split up! I'm really sorry

for the mistake!
135. So am I! For not being Pedro, that is!
136. I'm a tourist on vacation!
137. Great! If you are staying for some days, I'd be happy to invite you to my home!
138. The name's Gilda! Here you are! My address, if you are free tomorrow, do come by...
139. Free as a bird! Tomorrow... and the day after tomorrow... and...

140. Good! See you tomorrow afternoon, then!

141. You bet!

142. The next day —

143. Here it is, Mr.!

144. Swell! I'm really looking forward to this! Thanks to Li-Mon my exotic vacation is getting more and more exciting!

145. Hi!

146. Good morning, Miss Gilda! I could

hardly wait for this moment!

147. Nor could we!

148. Urk!

149. What's this, miss?!

150. You'll soon know! Take him to the pool! 151. I don't understand... is this a game or what?

152. Right, the shark game!

153. When we open the pool's gate to the ocean, it will be filled with sharks! If you

want to save your life, tell us where we can find Li-Mon!

154. Ah... Li-Mon! Why didn't you say so!? You'll find Li-Mon in bars, cafés, and supermarkets, I suppose! Perhaps the name is not so known around here, but I can tell you all about it!

155. Ha-ha! Listen to him! He's not so loyal any more!

156. He-he! He's crackin' up!

TRUYENTRANH PHAPBI.COM

157. It's the best drink in the world! But first, please let me down from here!
 158. Stop it! Baloa is ours and we won't allow Li-Mon or anyone to tamper with our market!
 159. ??
 160. Competitors, huh? Perhaps there is room, even for Li-Mon here! Apart from the inhabitants, there are so many tourists...
 161. It's useless! He's a tough one! He'll

never tell us where Li-Mon is!
 162. Perhaps he's already on the island!
 163. We'll find him sooner or later!
 164. What are we going to do with the duck?
 165. Open the gate! When the tide comes in, he'll be shark food!
 166. Help! Not the sharks! Not because of a lemonade!
 167. In the meantime, the nephews, who have taken note of the address on the

businesscard, are approaching the house —
 168. I think I just heard Unca Donald's voice!
 169. It came from the other side of the bushes! Let's have a look!
 170. Look... what's he doing on that pole!
 171. I dunno! But we've got to help him!
 172. Help!
 173. Wh-what!
 174. Careful...a traaaaaaa...!

175. Tụi mày nhìn kia! Có mấy con chim lạ đang đu đưa lủng lẳng trên cành!

176. Tụi nó có cái gì đó đáng nghi lắm... À, tao nhận ra rồi, tao đã thấy tụi nó trên tàu!

177. Mày nói đúng đó! Đó là hai tên đồng bọn của gã vịt cồ!

178. Và sau đó, khi chiều xuống...

179. Cứu chúng tôi vớdddối!

180. Lẽ ra bọn bay đừng đi theo chú! Giờ thì bọn bay cũng vào chảo nước sôi luôn!

181. Nhưng vì sao chúng lại bám đuôi chú?

182. Có trời mới biết! Có lẽ vì chúng ghét những ai uống nước giải khát Li-Mon!

183. Tiêu rồi, các cháu ơi! Chỉ vài phút nữa chú cháu mình sẽ làm mồi cho cá mập! Tội nghiệp mấy đứa quạ...

184. Cảnh sát đây! Tất cả dừng yên tại chỗ! Hãy thả ngay bầy vịt đó đi!

185. Sau đó...

186. ...khi bầy sập thì chú nhỏ Dewey từ cái túi trên lưng chạy thoát, đến báo động ở chỗ bọn này! Hãy cảm ơn cái trò "công nhau trên vai" đi, nhờ nó mà chú cháu nhà anh đã thoát nạn!

187. Lẽ ra thì phải bắt anh lại vì đã lén nhập thêm một chú vịt con vào đất Baloa, nhưng mà...

188. ...nghĩ lại, nhờ chú cháu nhà anh mà tụi tôi đã tóm cổ được băng buôn lậu của Gilda... Thôi, tôi để cho chú cháu anh được thông thả ra về!

175. Look over there, boys! Some strange fowls hanging from that tree!

176. There is something about them...

Now I know, I saw them onboard the ship!

177. You're right! It's the duck's two accomplices!

178 And so, in the evening —

179. Help, heeeeeeeelp!

180. You shouldn't have followed me!

Now you're in hot water, too!

181. But why are they after you?

182. I wish I knew! Perhaps they hate people who drink Li-Mon!

183. It's over, boys! In a couple of minutes we'll be shark food! I feel really bad for you...

184. Police! Everybody freeze! Free those ducks immediately!

185 Later —

186. ...and so, when the trap was set off,

Dewey got away and ran off to warn me! So, thanks to your "stowaway" trick, you were saved!

187. I should arrest you for having smuggled an extra duck into Baloa, but...

188.... considering that, thanks to you, we finally managed to arrest Gilda's gang of smugglers... I'll let you go!

189. Excuse me... but what have I and Li-Mon got to do with all this?
 190. The rascals mistook you for being a member of a competing gang of smugglers, headed by a Chinese named Lee Mon!
 191. Gilda and Lee Mon used to be friends! But they quarrelled and started a gang of smugglers each!
 192. POLICE
 193. We heard that Lee Mon was planning to operate in Baloa, and one night we managed to arrest him and his men, while they were unloading contraband goods on the island!
 194. Gilda didn't know that, and in order to get Gilda's gang out of its hiding place we started a rumour that Lee Mon was on his way to Baloa!
 195. So... Li-Mon, the lemonade, had nothing to do with this?
 196. Not really, but the name sounded exactly the same! When you sang or talked about Li-Mon, they thought you had something to do with the competitors! You helped us!
 197. It's hard to believe! The attacks, the sharks... all because of that name!
 198. On the other hand, you should be happy, Unca Donald! The commercials were right... you did have an adventurous and exciting vacation, just as they promised!
 199. Perhaps a bit too exciting!
 200. Ha-ha!
 201. Sometime after, in a bar in Duckburg —
 202. What luck, mister! There's a star on the cap! You've won...
 203. ZOZZOOM!
 204. ...a skiing holiday in Quack Valley! A week for two persons! Hey... wait!

CHÚ VỊT DONALD

Chuyến du hành vượt thời gian (Tập 3)

1. Các vị anh hùng của chúng ta đã đi ngược thời gian về thời vua Arthur, một vị vua chiến tranh tàn ác của nước Anh ở thế kỷ thứ 5! Sau khi những đứa cháu của mình bị tên vua độc ác bắt cóc, Donald đã xông pha đi cứu chúng, mang theo bộ giáp năng lượng thiên thể do Gyro Gearloose làm từ các bộ phận xe tải cũ...

2. Thành phố Punxatawney Pennsylvania

3. "Giấy nhôm"

4. Màn hình độ nét cao!

5. Ái chà! Câu thần chú của tên phù thủy quả là mạnh!

6. Chạy mau!

8. Hãy chờ, mấy nhóc! Chỉ một loáng là ta sẽ tới ngay!

9. "Phóng ra đô-la"

10. "Chuột Mickey - ối!"

11. !

12. Grừ! Ta biết mi ở ngay dưới chân mà!

13. Đưa máy bộ đàm cho ta và biến đi để ta còn làm việc!

14. Ê!

1. Our heroes are time-stranded in the days of the real King Arthur, a barbarian warlord of 5th-century Britain! After his nephews are kidnapped by the surly "king", Donald Sallies forth to save them, wearing a telekinetic-power suit whipped up by Gyro Gearloose out of old truck parts —

2. "Punxatawney Pennsylvania!"

3. "Aluminum Foil!"

4. "Hi-fidelity Stereo!"

5. Aieee! The wizard's mystic incantations are all-powerful!

6. Run away!

7. PRNDL

8. Hang on, kids! I'll be there in two hi-

tech shakes!

9. "Bowling for Dollars!"

10. "Mickey Mouse - ooops!"

11. !

12. Grrr! I knew you'd get underfoot!

13. Gimme that walkie-talkie and scram so I can do my stuff!

14. Hey!

15. M'lord! The enchanter dropped something!
16. It's looks like a magic talisman! Perhaps I can turn its power against its owner !
17. Ten thousand gadzooks!
18. Zounds! I feel mystic power coursing through my very bones! I shall turn the battle
19. Oh, no! That walkie-talkie is intercepting part of Unca Donald's power beam!
20. Now there are two atomic knights!
21. Hey! How come you can do that?
22. Repent, daemon! The saints fill me with the power to thwart ye!
23. Brother... that's action!

24. The split beam is giving them equal power!

25. This could go on for days!

26. Donald! You have only one hour to sunset! Hurry!

27. Egad! An evil faerie haunts this talisman!

28. I will slay the evil mite with my sword Caliburne! Hi-yah!

29. Thank goodness he destroyed the

walkie-talkie! Now he has no power source!

30. You're in the clear, Unca Donald!

31. ?

32. M'lord! What is wrong?

33. >Oof< I know not! I had the power to cleave this rock, but now I am again too weak to withdraw my blade!

34. Let us flee, sire!

35. Nay! >Ungh...< Caliburne was handed down from my ancestor, the Sarmatian Nart of the Roman legion! I'll not leave it!

36. Don't worry, kids! We have just enough time to get back to Stonehenge! And if any of these bozos try to stop us, I'll send him flying half-way to Scotland!

37. Look out!

38. Uh-oh! There goes my power receiver!
39. Hurry and untie us!
40. The wizard's power has failed him, sire! I have him!
41. Sorry, kids... I almost saved you!
42. Come, m'lord Arturios! We have the Saxon daemon bound! Come light the

pyre!
43. >Oof!<
44. >Ugh!<
45. But... this is the only sword in Dumnonia! I cannot leave it, for whoever wields it will be Pendragon of the realm!
46. Just let me give it one more good pull!

47. Nay, sire! These evil ones are too dangerous! We must burn them now!
48. Unca Donald - isn't there some other way to tap into that power beam?
49. No >Yipe!< Gyro said I needed some kind of electronic device to convert that beam to energy! And my helmet and walkie-talkie are shot!

50. M'lord! The pyre is ablaze!
 51. Fine! Fine! Just stand back and give me room to pull!
 52. Aha! Success! Only the mightiest hero could have pulled this sword free!
 53. What ho?
 54. Uh-oh!
 55. Now what?

56. I am uncertain! I fear it is the daemon mouse I heard the Saxon wizard summon!
 57. We're free!
 58. But it's nearly sunset! We'll never reach Stonehenge in time!
 59. Crush the beast, m'lord!
 60. Are you mad? That's the most foul, cruel, downright bad-tempered rodent

you ever set eyes on!
 61. Look! There's still a chance!
 62. Into this ox cart! Hurry!
 63. Outta the way, you stumblebums! We have an appointment to keep 15 hundred years from now, and we don't have a second to spare!
 64. Gadzooks! That's some speedy ox cart!

65. They are headed back to the ancient stone stable, sire!

66. And they still have Caliburne! I must have it back, magic mice or nay!

67. We will take the shorter route through the glen! Who still stands with me?

68. Uh... nobody is standing at all, except Cai and Trystan... and me, m'lord!

69. Oh, very well then! You three follow!

70. Meanwhile, Gyro hasn't been wasting

time —

71. I've adjusted the time helmet! I'm confident it can send us back to the future when the setting sun triggers the power surge!

72. But it's impossible for Donald and the kids to get here by sunset! There's only about a minute left and they're nowhere in sight!

73. What the — What's that?

74. You can shut off the beam, Gyro! We're

back!

75. Er... yeah... so I see! And you just made it!

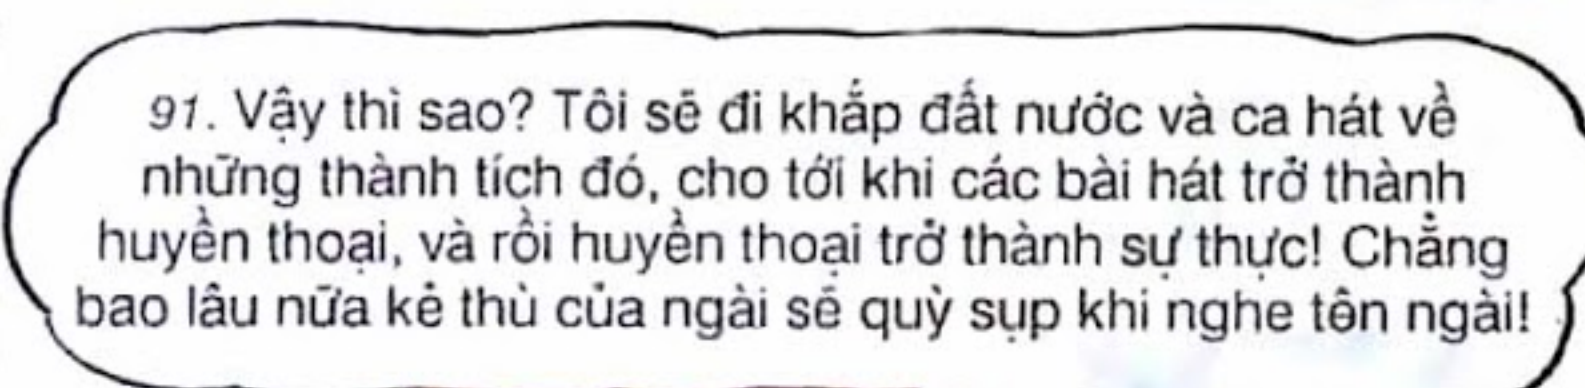

76. The sun is setting! The energy gauge is soaring!

77. And hear comes that grumpy King Arthur and his shaggy warriors! Let's hurry!

78. The gauge has hit the danger mark! Gather close — here we go! Three...

79. ...two...

80. ...one...

81. ...zero!
82. Th-they're gone!
83. But here is my sword!
84. The Saxon wizards fled before the awesome might of Arturios, restitutor of Britain, Royal Monarch of all —
85. And you are a royal pain! I am a minor warlord who was nearly wiped out by four ducks and a mouse! Why do you mock me?
86. We will see how well a bard without a head can sing!
87. If only you'd understand, m'lord! It's all

a matter of creating legends from nothing! I could make thee great!
88. Oh? Pray tell, how?
89. What if it were you who wielded the power of this stone stable? You who wore the metal suit? You who pulled the sword from the stone?
90. But it was not, fool!
91. So what? I will travel the land and sing of such feats, till the songs become legends and the legend becomes fact! Soon your enemies will cower at your name!

92. For a nominal fee, of course!
93. He's right, sire! His songs could make us all sounds as great as the Nart heroes of our Sarmatian folktales!
94. I-I am getting the idea! Yea...
95. King Arturios and his Narts of the Round Stable!
96. If you pull this hoax off, Myrddin, you're a true wizard!
97- Thank you m'lord! That is a nice touch I can add!
98. At no extra charge!

99. Trong lúc ấy, 1500 năm sau... ừ... các bạn biết chúng tôi muốn nói gì rồi đó...

100. Mặt trời đã lặn, các bạn ạ! Đã đến giờ đóng cửa! Xin vui lòng trở lại sau!

101. ?

VÚT!

102. Các người đó hả? Đùng là quá tệ, sáng nay ra đi các người để lại chiếc xe chứa đồ vô dụng đó ở đây, giờ thì lại đâm đầu về để làm những việc khủng điên nữa hả?!

103. !!!!

104. Không có cơ hội nữa đâu! Đi đi!

105. Được, cũng chẳng ảnh hưởng gì! Ít nhất bọn chúng cũng tỏ ra vui vẻ!

106. Chúng tôi sẽ lên đường ngay khi mua được xăng! Chúng tôi mới chạy hết xăng!

107. Dà! Cách đây 1500 năm!

108. Tốt lắm!

109. Donald... Chúng tớ sẽ sửa xe còn cậu ra phố mua xăng đi!

110. Tôi hả ? Xa như vậy? Trong đêm tối?

111. Trợ thủ của tớ sẽ soi đường cho cậu đi!

112. Ồ, tốt thôi! Nhưng để hẳn vác bình xăng!

113. Này hướng dẫn viên... Có thực là vua Arthur đã hoàn thành những công việc lớn lao của mình ở đây không?

114. Chắc chắn là vậy, thưa bà!

115. Ồ, ngay gần đây, trên ngọn đồi Cadbury, bà sẽ thấy một tảng đá có vết bửa ra! Người ta nói đó chính là nơi vị anh hùng cao cả của mọi thời đại đã rút thanh kiếm Excalibur ra khỏi tảng đá!

116. !

117. Ôkê, được rồi, ông lớn... Tớ sẽ mang bình xăng!

118. Hết

99. Meanwhile, 1500 years later... uh... you know what we mean —

100. It's sunset, folks! Time to close up! Please come again!

101. ?

102. You people!? It was bad enough you took off this morning and left that trailer of junk behind, but now you're back to perform more silly experiments?!

103. !!!!!

104. Not a chance! I must ask you to leave!

105. Well, if that don't beat all! At least they're taking it cheerfully!

106. We'll be on our way as soon as we send out for some gas! We just ran out!

107. Yeah >giggle<... 1500 years ago!

108. Very well!

109. Donald— we'll pack up the gear if you pop into town for some gas!

110. Me? All that way? In the dark?

111. My helper will light the way for you!

112. Oh! all right! But he carries the can!

113. Mr. Guide — is it true that King Arthur performed his mightiest deeds near here?

114. It certainly is, madam!

115. Why, just nearby on Cadbury Hill you can see a cleft rock! They say it's the very site where the noblest hero of all time pulled the sword Excalibur from the stone!

116. !

117. >Gumble!< Okay, okay, Mr. Big Shot — I'll carry the can!

118. END
